INTRODUCING

KW INDUSTRIES, INC.

was founded over 30 years ago to exclusively design and manufacture lighting standards. KW continues this business philosophy with the introduction of its Designer Series of decorative bases and lighting poles.

◆ **Superior Finishes** – KW Industries, an innovator in powder coatings and applications, will offer its exclusive K-KLAD® Coating System as an optional finish with Designer Series.

◆ **Superior Shafts and Bases** – Low copper, pure aluminum alloys provide lightweight, high-strength, corrosion-resistant bases and shafts. Steel shafts coupled with wraparound aluminum and cast iron clamshell bases provide strength, height and durability.

◆ **Superior Service** – The unmatched customer service of KW stands behind Designer Series products.
